

In honor of the stylish Hats in the Garden,
we take a whimsical tour through Naples
Botanical Garden, with plenty of color,
texture and blooming ideas.

PHOTOGRAPHY PABLO COSTANZA

In Her Element Rebecca channels fire and water with a fiery-hued, embroidered dress and cape by Naeem Khan (below), and an icy appliqué gown by Oscar de la Renta (accompanied by a bracelet from Yamron Jewelers). Previous spread: Rebecca embraces the sunshine in a bright Gemy Maalouf set and a sparkling Yamron Jewelers ring that reflects the rays.

Taking Flight Rebecca dons a scalloped, gold sequin gown—reminiscent of a dragonfly's kaleidoscopic wings—by Naeem Khan and chunky statement earrings by Monica Sordo.

Pushing Daisies Rylie wears a silk charmeuse Naeem Khan halter gown (opposite) that unfurls like a flower bud in the back, along with sculptural earrings by Monica Sordo. A vibrant aqua Ermanno Scervino dress and matching turquoise earrings from Yamron Jewelers nod to Gulf's blue waters.

Birds of a Feather

Rylie and Rebecca coordinate in Naeem Khan tropical-hued, skin-baring frocks. Lada Legina's 3D-printed bracelet and earrings pack a punch against the flowing, monochromatic garments.

Chain Reaction Rebecca soaks in gold chains from Marissa Collections.
Opposite: Rylie commands attention in a voluminous, coral taffeta look by Silvia Tcherassi. She matches the statement sleeves with bracelets from Yamron Jewelers.

La Vie En Rose Rylie wears a vibrant, neon gown from Vincent Licari and matching petal-inspired earrings by Lada Legina. Opposite: Rebecca embodies elegance in a rose-adorned, pleated gown and cape by Ermanno Scervino and a ring from Yamron Jewelers.
